## Horrible Horoscopes

**Aries:** Holy fucking shit. Just. Holy shit.  
What the fuck.

**Taurus:** Where do you think you're going  
with that Swiss chard?

**Gemini:** Think about what you've done.

**Cancer:** The answer is no.

**Leo:** Ohhh boy. You. Fuck you. Yes, you  
specifically.

**Virgo:** Delete your search history.

**Libra:** Why do you like these wankers?

**Scorpio:** What did you ever do to deserve  
this? In all probability, something terrible.

**Sagittarius:** You are a crayon. Get out of the  
toolbox.

**Capricorn:** Have some spoontinudigu,  
fucking dammit.

**Aquarius:** Some relationships, like warts, can  
be handled with the tactful application of  
liquid nitrogen.

**Pisces:** Take a long shower. Wash your hair.  
Wash the clothes you were wearing. Wash the  
memories from your mind and body.

# Beginner's Guide to KGB

KGB is a social group that takes our silliness very seriously! We meet on Mondays from 4:30–5:30 in MM 103 and get food afterward at Resnik. Confused? So are we.

A few things to note:

1. Raise your hand to speak
2. Auctions are in real money dollars
3. If you have any questions, just ask!

Here is a flowchart of our meeting procedure!

Created by kharring, 2011

To find out more, come to exec meetings! They are open to everyone and take place **Tuesdays at 5:00 in UC 306** Or contact us at [exec@cmukgb.org](mailto:exec@cmukgb.org)
