## KGB's 2018 Book Recommendations

*Ellen Seeser, Literary Columnist*

Start your year off right with a good read. These are the best of Pravda?'s reading selections from the past year.

*The Secret History* by Donna Tartt  
(Recommended by Ellen)

Classical studies *and* murder? Yes, you can have them both. Featuring a tight-knit group of college students doing silly things together—huh, that sounds familiar...

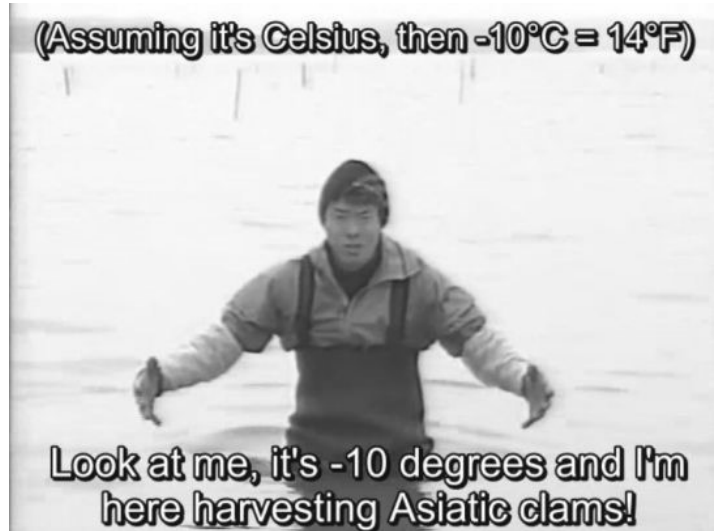

*I Am Radar* by Reif Larsen  
(Recommended by Ellen)

Have you ever read a work of fiction and sat there thinking, huh, I wish these events and ideas were illustrated by beautiful diagrams and maps? Then I have the book for you.

*Memories: From Moscow to the Black Sea* by Teffi (as well as *Subtly Worded*)  
(Recommended by Ellen)

I adore Teffi. So did Czar Nicholas II and so did Lenin and so will you.
