## PRAVDA? EDITOR GETS VIOLENT

Many apologies to "Monkey Boy" Frank Cho. If you don't read Liberty Meadows, you should. Go pester the Tartan right now!

**Editor mad! Very mad!** Too mad use verbs! Editor hear loser say that *Pravda?* too small. *Pravda?* not have enough features. *Pravda?* not express his viewpoint. *ARRRGH!* People not understand idea of *Pravda?!*

Look here, monkey people. *Pravda?* is everything you submit to it. You want comics? Gimme comics. You want funny web addresses? Ask for 'em. You want dirty pictures of the President and Vice President? Uhh....well, hell, I'll publish those too. I have nothing to lose. (I *will* have the psychology department look into your mental health,

though.) *Pravda?* has an open editorial policy, so whatever you give me goes into it right away! You'll see it in the very next issue.

As Corresponding Secretary, I get to edit *Pravda?* and correspond with the other groups on campus. Ever since the CIA stopped answering my email, I haven't had that much to do. And believe me, you don't want to see what happens when I get bored.

So please, submit to *Pravda?!* Otherwise I'll drop you like yesterday's bran muffin.

## SUBMITTING TO PRAVDA? IS SIMPLE AND FUN...

Think of something you hate...now complain about it.

*The people who live next to me constantly play loud and obnoxious music (Hanson), and the RA never does a thing about it. As soon as I put in my bagpipe music, however, I am instantly accosted. This bigotry must cease!*

*Penn suspends Teller over a bed of nails...*

Write an obscure little poem or song either praising or debunking the wonders of your education...

This is a valid submission to *Pravda*?

*That's good enough for...*

Think up dirty limericks, haiku, song parodies, or bad puns.

Find and copy some cliché old jokes. If they were funny the first fifty times, they'll be funny the fifty-first time. KGB has a particular penchant for engineering jokes, as demonstrated from this collection of posts to [assocs.kgb](http://assocs.kgb).

Two engineering students were walking across campus when one said, "Where did you get such a great bike?" The second engineer replied, "Well, I was walking along yesterday minding my own business when a beautiful woman rode up on this bike. She threw the bike to the ground, took off all her clothes and said, 'Take what you want.'" The second engineer nodded approvingly, "Good choice; the clothes probably wouldn't have fit."

To the optimist, the glass is half full. To the pessimist, the glass is half empty. To the engineer, the glass is twice as big as it needs to be.

An engineer was crossing a road one day when a frog called out to him and said, "If you kiss me, I'll turn into a beautiful princess." He bent over, picked up the frog and put it in his pocket. The frog spoke up again and said, "If you kiss me and turn me back into a beautiful princess, I will stay with you for one week." The engineer took the frog out of his pocket, smiled at it and returned it to the pocket. The frog then cried out, "If you kiss me and turn me back into a princess, I'll stay with you and do ANYTHING you want." Again the engineer took the frog out, smiled at it and put it back into his pocket. Finally, the frog asked, "What is the matter? I've told you I'm a beautiful princess, that I'll stay with you for a week and do anything you want. Why won't you kiss me?" The engineer said, "Look I'm an engineer. I don't have time for a girlfriend, but a talking frog, now that's cool."

"Normal people ... believe that if it ain't broke, don't fix it. Engineers believe that if it ain't broke, it doesn't have enough features yet."

"**Things not to do...**" has been removed from standard KGB meetings, but not from *Pravda*?. If you really want the world to know how stupid you (or your "friend") can be, this is your forum.
