Bring board games and card games! Exec'll handle the snacks. Since it's on Friday the 13th, better also grab a horseshoe. And a four leaf clover. Maybe also a rabbit's foot. You never know.

HILIGHTS FROM THE EVENT

We had an event! It was the Underground Tour. It was pretty damn exciting if I do say so myself. We had a great lineup of stories from Exec and some other seasoned vetrans of the KGB. The kid-napped storyteller was returned unharmed after a rather intense negotiation with the kidnappers (more on this in the Sports section of Pravda).

Let us pause for a moment to thank the Weather Gods who, in their gloriousness, did allow us to have fair skies for the Tour. Now let us shake our fists at them briefly for making it so damn cold near the end of the day.

After that, we all stopped by the Fence to eat some food! Special thanks to Ethan Gladding for inhaling more than his fair share of charcoal smoke to cook all of our burgers.

MMMMMMMMMMMM..... MEAT. Also, chickpeas. Apparently vegiburgers are the devil to flip.
