Meet the Officers

(Read more at cmukgb.org)

Skylar Toor (President)

Statistics '17

Skylar is The Leader of the KGB. She leads her comrades with her intimidating demeanor, her readiness to yell over anything, and her small stature.

Tropes: The Stoic, Deadpan Snarker,
Cultured Badass

Rin Fair (Corresponding Secretary)

Mechanical Engineering '18

Rin is The Quiet One of the KGB. She prefers to sit and listen during GBMs and perform her officer duties in writing, distributing her Pravda? instead of actually “speaking.”

Tropes: Pom Pom Girl, The Fashionista,
Adorable Abomination

Dylan Vrana (First Vice President)

Computational Biology '18

Dylan is The Face of the KGB. Within five minutes of meeting him, you will find yourself signed up to be a booth chair and a Zombies mod on your way to your first GBM.

Tropes: The Big Guy, Gentle Giant,
Mad Scientist

Harry Fernandez (Recording Secretary)

Electrical and Computer Engineering '19

Harry is The Wonka of the KGB. He provides us with excellent ideas that Serious People™ might find silly. He also records everything that happens in meetings and fills our Twitter with communist mémés.

Tropes: The Ace, Magnificent Bastard,
Harry Sue

Michael Murphy (Second Vice President)

Computer Science '17

Murphy is The Spock of the KGB. He handles the logistics of our absurd ideas and tells us when NO WHY WOULD YOU DO THAT YOU ARE ILLOGICAL. He also makes things work in a less stupid way within the organization.

Tropes: Only Sane Man, Blue Oni,
Sentimental Drunk

Joe Doyle (Treasurer)

Electrical and Computer Engineering '18

Joe is The Smart Guy of the KGB. While this isn't meant to suggest no one else on exec is smart, Joe really shows it in everything he does. He takes care of our money and probably doesn't embezzle.

Tropes: Gadgeteer Genius, Mad Oracle,
Trickster

Nika Postnikov (Sergeant at Arms)

Architecture '20

Nika is The Heart of the KGB. Her job is to take care of the president, but her mission is to take care of all the members. Nika is loveable and understanding. Though she is perpetually busy, she always sets aside time for the organization she loves.

Tropes: Loveable Rogue, Red Oni,
Pint-Sized Powerhouse

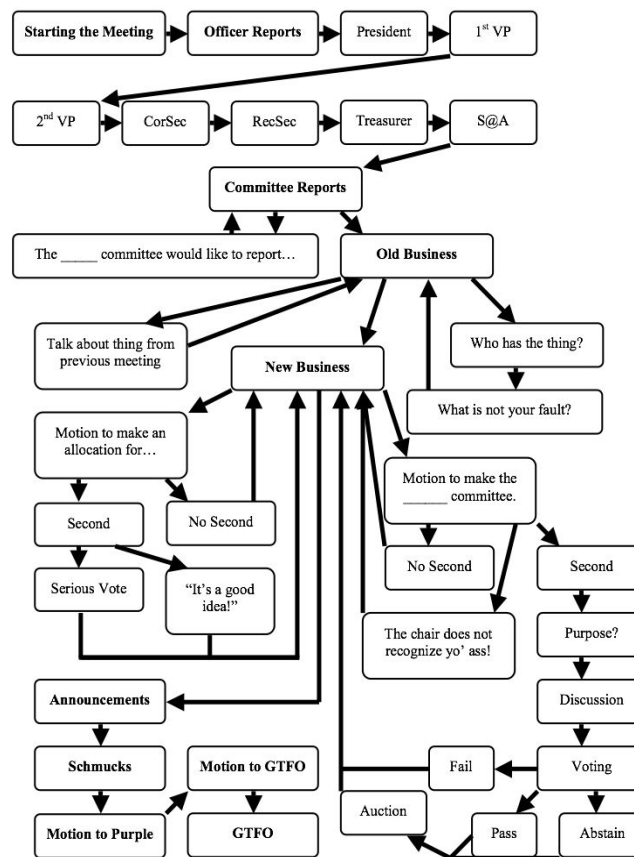

Beginner's Guide to KGB

KGB is a social group that takes our silliness very seriously! We meet on Mondays from 4:30–5:30 in MM 103 and get food afterward at Resnik. Confused? So are we.

A few things to note:

1. Raise your hand to speak
2. Auctions are in real money dollars
3. If you have any questions, just ask!

Here is a flowchart of our meeting procedure!
