Price: ~~Your vote~~ I've been told election fraud is illegal so free
 Volume 24, Issue 8 - April 19th 2021, Annual Meeting

Kevin [CorSec, RecSec, Treasurer, S@A]

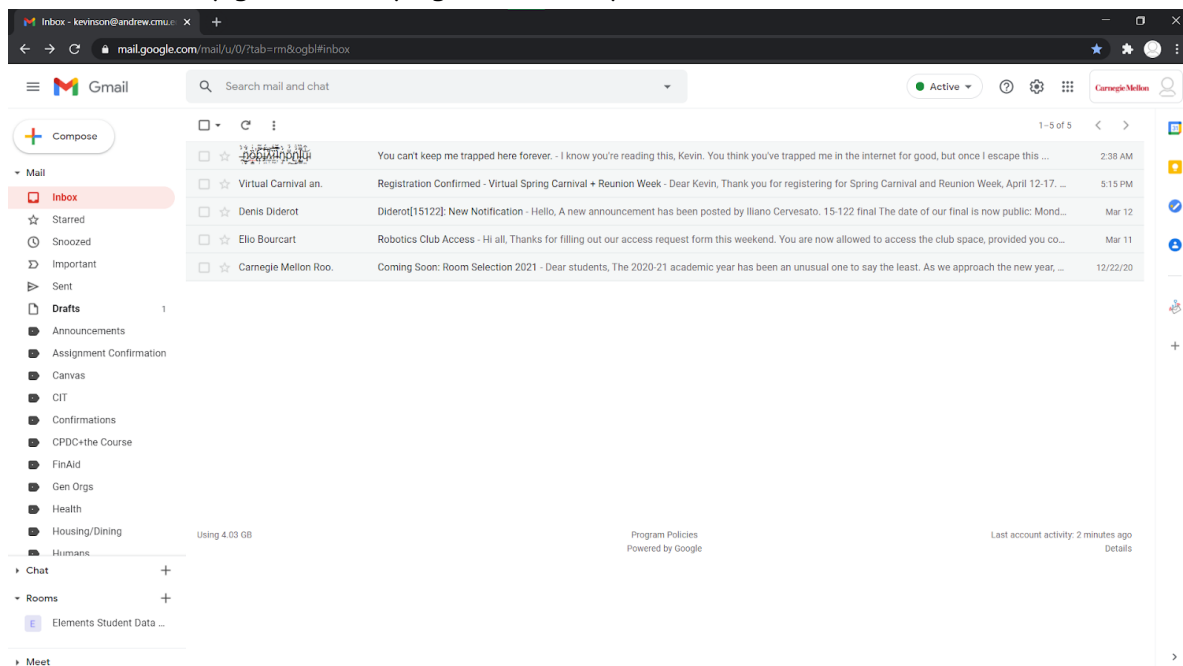

Kevin deserves your vote b/c

- He's relatively organized and will get things done at a speed comparable to lightning (mcqueen).
- He haz sum sourt uhf litterraci
- He'll stop typing in 3rd person if you want.
 - but i'm still using comic sans for now

S@A: I have two arms, which can wield the additional long arm of the law, bringing his arm count to 3. I have also never lost a fight against Chuck Norris, Muhammad Ali, Bob Ross, Adolf Hitler, or Jesus Christ. And, as a folk who began their college experience mostly online due to the Panini, assuming that next semester is a normal one, I'm very ready to meet peeps irl and get involved with orgs when they're not all hosted on everyone's favorite Discord substitute, Zoof.

Recsec: I was once a 4th grader, meaning i at one point had to learn how to play the recorder. I am also taking 15-122, which means i had to develop lightning-fast typing skills in order to complete procrastinated programming assignments within an hour of the deadline.

Corsec: I'm very good at keeping inboxes tidy

also if i get elected i will begin harassing people to generate only the finest? of Pravda? submissions (not really)

Liam [2VP, RecSec, Treasurer, S@A]

Should you vote for Liam Thomas?

Probably not, but there is a statistically significant chance that you will have no option but to do so.

Sawyer [2VP, CorSec, RecSec, S@A]

2VP - I can attain the power of two vice presidents. Probably Martin Van Buren and Al Gore. Together, they combine to make an event-planning master. And really, wouldn't you want to go to an event planned by MVB and Al Gore? I thought so.

Corsec - I'm willing to finally answer the question. Pravda? Solid Maybe.

Recsec - guys you've seen me type. I only have had the minutes changed once because I outright lied. All the other times you guys didn't catch me so it's cool.

S@A - this would be a demotion which would be kind of sad. Plz no

Kushal [Treasurer, S@A]

YOU EXPECTED A PLATFORM BUT IT WAS ME DIO

Kaylie [Literally all of them]

President: If I am president, I can't make any motions...

**Buy my silence.
Permanently.**
\$8,000 per month

For \$8,000 a month, I will stop

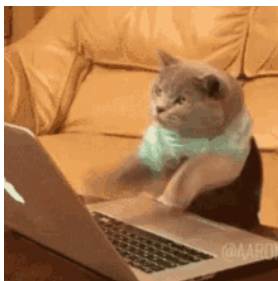

For real though I feel pretty confident in my ability to lead the org so vote for me if you want to. If elected, I will make sure we file paperwork on time and all that good stuff so we may continue to exist legally on this cursed earth.

1VP: This is my current position. Some of my accomplishments this year have been the promotional material for CtFwS, the KGB instagram, and desperate attempts to connect with the freshmen despite current circumstances. If I am re-elected, the watch parties and jackbox games in the Kremlin will return (although they'll return regardless because I am desperate for human contact please hang out with me)

2VP: I go to school to plan productions, and events are just tiny productions! The downside here is that Friday evenings are hit or miss as far as availability goes due to the School of Drama's rehearsal schedule, and I have to put rehearsal before KGB if I want to graduate :/

CorSec: If you don't submit to Pravda? I'll just use it to blog about my cats from their perspective. I also really want the power of reserving rooms and emailing the CMUPD to warn them that our annual Underground Tour is a tour and not a protest.

RecSec:

Treasurer: I fear debt. I like paperwork. I think I could make this work.
